

## NURSERY ADMISSIONS POLICY SEPTEMBER 2020 – AUGUST 2021

St Mary's is a Catholic Primary and Nursery School within the Diocese of Westminster, founded for the education of Catholic children of the parishes of

- Our Lady of Sorrows & St Bridget's, Isleworth
- St Vincent de Paul, Osterley and
- St Margaret of Scotland, St Margaret's Twickenham

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education is fully supported by all families in the school. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school.

The Governors intend to admit up to the schools Published Admission Number (PAN) of 26 pupils to the Nursery. The Governing Body has responsibility for admissions to the school. To apply complete the school Supplementary Information Form (SIF) and return it to the school office together with all the relevant paperwork required for your application. Then complete a London Borough of Hounslow Application Form (AF). If you do not complete and return both the AF, SIF and other supporting information by the closing date, the Governing Body may be unable to consider your application fully.

**Parents are advised that a place in the Nursery does not guarantee a place in Reception.**

### OVERSUBSCRIPTION CRITERIA

- A. Top Priority will be given to any child within each of the above criteria who has a social, medical or pastoral need \* which can only be met at St Mary's Catholic Primary School Isleworth.

*\* Compelling written evidence **at the time of application** from a recognised professional body such as a social worker, doctor or priest must be provided and will be treated in the strictest confidence*

- B. Priority will be given to any child within each of the above criteria who has a sibling<sup>7</sup> in the school **at the time of admission**.

Then, if the school is still oversubscribed proximity of the child's residence<sup>8</sup> to the school is used \*\*. For applicants who live the same distance from the school,

random allocation by drawing of lots in the presence of an independent witness will be used.

*\*\* For all schools where the Local Authority (LA) is the Admissions Authority (AA) for the school and any schools where the Admissions Authority (the Governing Body) has a policy to use the LA's measuring system, the route from home to school has been measured using the walking route.*

*It starts from a point of measurement in the "foot print" or "seed point" of the home address. The foot print or "seed point" is provided by Local Land and Property Gazetteer (LLPG) from information compiled by the Local Authority.*

*From the "foot print" or "seed point" the route firstly connects to the nearest point of the digitised network namely the road on which the house is situated. The positioning of front doors, driveways and back gates are not relevant to the route or the measurement and are not programmed to be used by the measuring system.*

*The digitised network is constructed from road data supplied by Ordnance Survey called OS Mastermap. OS Mastermap has been accurately digitised to measure along the centre of road.*

*The network starts from a point in the property provided as the child's address and continues by the walking route to the nearest of the school gates which is used by pupils to enter the school grounds. Blocks of flats are treated as one address. In blocks of flats, priority will normally be given to the lowest flat number.*

*The walking route is established using an algorithm within the software used by the LA. This software is called RouteFinder and is produced by Higher Mapping Solutions ([www.highermappingsolutions.com](http://www.highermappingsolutions.com)). This programme integrates with the LA's database (ONE) which is supplied by Capita Children's Services ([www.capita-cs.co.uk](http://www.capita-cs.co.uk)).*

*Other measuring systems may give a different measurement but the LA cannot take a measurement from another measuring system.*

### **CERTIFICATE OF CATHOLIC PRACTICE**

Applicants applying under criteria 2 and 3 should submit a Certificate of Catholic Practice<sup>3</sup> by the closing date. The Certificate is available from the parish in which the family normally worships or from the diocesan website: [www.rcdow.org.uk](http://www.rcdow.org.uk) (follow schools, for parents.) It is the parent's duty to ensure that the Certificate of Catholic Practice is submitted to the school in good time. You will need to obtain a Certificate for each Catholic school you are applying to.

### **Explanatory Notes (these notes form part of the CRITERIA FOR ENTRY)**

<sup>1</sup> **'Catholic'** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches (list available from the school, your parish and the Diocese of Westminster website [www.rcdow.org.uk](http://www.rcdow.org.uk) (follow schools, governors, admissions, annexe 7 Eastern Churches). This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

<sup>2</sup> **'looked after child'** has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a Local Authority or provided with accommodation by them (e.g. children with foster parents). An **'adopted'** child is a child who is adopted under the terms of the Adoption and Children Act 2002 s.46 (adoption orders). **'Child Arrangements Order'** is an order under the terms of the Children Act 1989 s.8 which defines it as an order settling the arrangements to be made as to the person with whom the child is to live.

**'Special Guardianship Order'** is an order under the terms of the Children Act 1989 s.14A which defines it as an order appointing one or more individuals to be a child's special guardian(s).

<sup>3</sup> **'Certificate of Catholic Practice'** means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests:- <http://rcdow.org.uk/education/governors/admissions/>

<sup>4</sup> **'catechumen'** means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

<sup>5</sup> **'Children of other Christian denominations'** means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

<sup>6</sup> **'Children of other faiths'** means children who are members of a religious community that does not fall within the definition of 'other Christian

denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

<sup>7</sup> 'sibling' means a brother or sister (not cousin) including half-, step-, adoptive brother and sister who live at the same address as the child.

<sup>8</sup> 'residency' is where the child/children resides for 50% of their school week. This would be determined by address shown on Council Tax and Child Benefit documents.

### **Multiple Applications (i.e. twins, triplets or other multiple applications from one family).**

If a final place at the school is going to be offered to a child who is one of multiple births, then their twins, triplets etc. will be offered a place as well. If multiple-birth children are at the top of the waiting list and only one place is available, the other siblings will be offered a place as well.

### **Pupils with an Education Health Care Plan (EHCP)**

The admission of pupils with an EHCP is dealt with by a completely separate procedure. This procedure is integral to the making and maintaining of EHC Plans made by the pupil's home Local Authority. Details of this separate procedure is set out in the *Special Educational Needs Code of Practice*.

For clarity St Mary's Catholic Primary School has a duty to admit a child with an EHCP naming the school where it is possible for the school to meet these needs.

### **Unsuccessful Applications**

If you do not get offered a place you **do not** have the right to Appeal as Nursery is not a statutory school age.

Unsuccessful applications will be retained by the school. Whenever a place becomes available the oversubscription criteria will be applied to all applications held by the school. The Governing Body will make an offer of a school place based on the oversubscription criteria. The unsuccessful applications will only be held in the school until 31<sup>st</sup> August 2021. Beyond this, if parents wish to be considered, they will have to complete an Application Form. It is the parent's responsibility to inform the school of any change in circumstances and provide the supporting documentation (e.g. residency, social, medical or pastoral).

**Please ensure that all sections of the forms are completed in full and that you provide supporting evidence, failure to do so may result in the Governing Body not being able to consider your application fully.**
