St Scholastica 10th February 2021

RE: Weekly Update for all parents

Dear Parents

*Today's the Feast of St Scholastica – the Patron Saint of Education.*

*Gracious and Gentle Christ, source of Wisdom, give us the inner sight and courteous love that inspired Scholastica to change a rule of her brother Benedict in such a way as to adapt to the pressing need of charity. Bless all girls and women especially those who follow in her steps, may their lives inspire us with gratitude for being held in prayer, kindness for deep hospitality and blessed with the gift of contemplation. Amen*

*St Scholastica – pray for us all!*

We hope that you are all keeping well and looking out for signs of spring (yes even in these freezing temperatures) on your daily walk. We are all looking forward, in hopefulness, at being able to welcome you all back in the not too distance future. Let's keep this positive goal at the forefront of our thoughts and prayers!

Some of you asked us for more immediate access to the Maths No Problem! (MNP) work and to the answers. Mr Cobbold has been in touch with MNP and we've received the instruction and steps that you will need to take if you want access to the MNP answers. Full instructions are here: <https://bit.ly/SMIMNP> using these instructions you can access online version of your child's maths textbook and workbook and the answers to the questions too.

Once you're signed in, you'll be able to access maths content for your child's year group, along with help guides and lesson support.

Please **only sign up** to the appropriate year group(s) as there will be a limit to the number of active accounts; this is based on the number of children we have in each year group.

Take care everyone and stay safe!
