RE: Midweek Update for all parents

The Feast of the Annunciation 25th March 2020

Dear Parents

I hope that many of you were able to pray the Lord's Prayer this morning with the Holy Father and with people from all around the World. On the Feast of the Annunciation we look to Mary – Mother of Sorrow and of Joy – and we ask for her intercession. Let's keep asking for her intercession by saying: Hail Mary....

Most of you will still be working out new routines as we stay in our homes for as much of the time as we can. I hope that you are finding the online resources on our website helpful - <http://www.smi.hounslow.sch.uk/home-learning.html>.

I know many of you are enjoying Joe Wick's daily PE sessions! But some of you might not be enjoying the maths as much... On Mondays for the first maths lesson of the week the teachers will include the answers to the questions in this week's work. This will enable you to go through them with your child on Monday which in turn means that the new Monday lesson will be shorter. When I make changes to the home learning page or the class pages I will post an update at the top of the home learning page.

Due to the size of the files and the fact that they are in 'SMART notebook format' we don't upload the originals. All uploads are in pdf. If you don't have a printer at home don't worry – do what you can.

I am hoping that all of the work for next week will be uploaded by the end of Friday. I'll write to you all again then sending the alert out via Parent Hub: <http://bit.ly/SMIAPP>.

Best wishes to you all – stay safe!

Our Lady of Sorrows: Pray for us! St Gabriel: Pray for us!

F Marsh - Headteacher

With Christ in our hearts we grow in love to help others.
