RE: Possible reopening for some more children from 1<sup>st</sup> June and update for parents of children in EYFS, Y1 and Y6

Dear parents of children in EYFS, Y1 and Y6

Please read this information, which is for Nursery, Reception, Y1 and Y6 parents only, carefully.

We have been asked to plan to extend our opening to these year groups from 1st June subject to the scientific evidence and the Government's 5 tests being met at that time and we want your views.

We are at the very early stages of planning and it would be helpful to get an idea from you about whether you would send your child in if the Government's plan proceeds. If we do go ahead for these year groups on the 1st of June, we will need to ensure that we have everything we need to safely accommodate the numbers expected in.

We know that we will not be able to guarantee social distancing or that children will stay 2 metres apart from each other. In order to try our best to maintain social distancing we do not know how many children may be in on certain days, how long children would be in for or how often they would be in. We are still in the planning stage but we will endeavour to keep home learning provision for these year groups in place.

We understand that you will want details on how our classrooms will be set up and some of you will find it difficult to give a yes or a no at this stage. However in order for us to plan as best as we can we really do need to know what the potential numbers of children might be.

So please answer this survey as best as you can.

<https://bit.ly/SMINR16>

When completed click 'Submit' in order for us to review your answers.

If you have more than one child please complete the survey again.

Thank you for your continued support.

Best wishes! Stay safe!  
F Marsh Head Teacher
