Tuesday 27th March 2018

Dear Parents

We are looking forward to seeing as many of you as can make it at the two meetings tomorrow. These will be held in the large hall from 2pm to 3pm and 7pm to 8pm.

We have taken into account your feedback on teaching time, on costs and availability of childcare and we are glad to announce that should we go ahead with the proposals, we are able to provide places for approx. 280 children, free for the first year. The first year would be a trial year with opportunities for feedback and refinement.

As a result of on-going discussions we also want to let you know that the overall teaching time will increase and that classes will be taught by their class teachers with the support of a Teaching Assistant.

Playtimes will be kept as they are now with only 5 minutes being trimmed from lunchtimes.

We recognise that some of you found the consultation inaccessible and some of you were frustrated by the format and the questions.

Wednesday's meetings will give you the chance to ask questions and get an update from Governors.

Yours sincerely

F Marsh
