

6th October, 2017

Dear parents and carers,

Recorder Lessons

After half term Year 3 music lessons will focus on learning to play the descant recorder. This will build on the musical knowledge they gained through learning the violin in Year 2.

For hygiene reasons, each child will need their own recorder. We do have a number of clean, second-hand recorders in school. **If you would like your child to borrow one of those, free of charge, please indicate on the reply slip below.** We ask that you replace the recorder if it gets lost or damaged and that you return it washed at the end of the year.

Alternatively, you can purchase your own **descant recorder** – Amazon sell them for as little as £5 and they come in all sorts of interesting colours! **Yamaha** is a recommended make. If you are supplying your own recorder, please indicate that on the slip below.

Recorders will need to be in school each Wednesday after half term. If you have any queries, please let me or Miss Lloyd know.

With best wishes,

Mrs S Millett

YEAR 3 RECORDERS

Child's name: 3L / 3M

Please select one of the following options:

- I will supply my child with a recorder.
- I would like my child to borrow one of the school recorders.

If my child is borrowing a school recorder, I agree to replace it if it becomes lost or damaged and will return it clean and in good condition at the end of the school year.

Signed: Parent's name:

Please return this slip by Wednesday 18th October.
