

St Mary's  
University  
Twickenham  
London

Dear Parents,

7<sup>th</sup> June 2018

On Monday the 18<sup>th</sup> of June, the Y6 students will be visiting St Mary's University to see what university life is like in preparation for their transition to secondary school (where they are likely to choose subjects which may lead them down the path of university study).

During the trip, students will tour the campus, see what university is all about and create a mascot for the university.

Students will need to bring a re-usable drink bottle and a packed lunch (please avoid non-recyclable or re-usable plastics) **in a drawstring gym-type bag**. Please ensure they have a hat and sunscreen as we will be walking around campus.

Parent helpers would be greatly appreciated but due to limited numbers please look to the students' homework diaries for a message to confirm that you have been selected. ***Please note that parent helpers will be required to read and sign our Volunteers Policy & Agreement prior to the trip.***

***Due to the trip to Rome next week, please return the 'helper' slip below by tomorrow, Friday 8<sup>th</sup> June.***

Yours sincerely,

**Miss E. Joyce**
