Curriculum mornings

It's been lovely to welcome so many parents to the two meetings held this week. Please check the calendar to see the future dates. These meetings are a chance to meet the team teaching your child/ren this year, to hear about homework and learning and expectations. They start at 9am in the school hall and we aim to end by 10am. Please come if you are able - entering through the main school doors. If you are unable to attend you can see all of the documents and some others on the class pages of the website. Here you'll find; a parents' guide to the National Curriculum, the Autumn newsletter for your child's year, a copy of the presentation to parents, the homework timetable for the week, the medium term plan for all of the subjects this half of term and the knowledge planner for the current lead topic. Half of the learning for the topic is from the knowledge planner so please print it off and refer to it at home. Children will be expected to learn and use the key vocabulary.
